

### Streetscape Concepts: Beacon Ave S (between 15th Ave S and S Spokane St)

#### Streetscape Alternative 1:

- maintain existing cross section
- add raised, permeable pavement center lane median and incorporate left turn pockets where appropriate
- stripe parking lanes
- add pedestrian lighting and street furniture
- Southeast Transportation Study (SETS) recommendation

#### Streetscape Alternative 2:

- add raised, planted center lane median and incorporate left turn pockets where appropriate
- reduce parking lane to one side of street (parking lane may alternate sides of street)
- stripe parking lane
- add bicycle lanes to both sides of street
- add pedestrian lighting and street furniture
